**HELIUM BALLOONS AND BLIMPS - COLD-AIR INFLATABLES - INDOOR INFLATABLE DISPLAYS**

We build all types of eye catching inflatables to promote your product, business, logo, brand or trademark. We make inflatables that fly in the air filled with helium or stand on the ground filled with air. We also sell point of purchase inflatables that are used as in-store displays. We have the ability to make a giant "blow up" replica of almost any type of package, container or product. We can also print a digital image on any inflatable. **AD AIR INFLATABLES ATTRACT ATTENTION TO INCREASE YOUR SALES.**

*EASY TO USE, GREAT FOR: Trade shows, Corporate events, Fairs, New product launch, Sales meetings and Public relations.*

### **ARTWORK PRICES...Add to balloon price**

All artwork is either hand painted by professional artists or silk screened. The cost of the artwork depends on the complexity. The cost includes the same imprint on two sides. Most imprints fall within three complexities. Digital and wrap around artwork is additional and can be quoted upon request.

### **TO DETERMINE THE PRICE OF YOUR ARTWORK...**

Compare your artwork to the pictures on the web site or catalog. Follow the chart below.
